Item 4. Description of Securities

LTIP Units

The LTIP Unit Awards registered herein include rights to acquire Class A Shares in exchange for interests in certain of the Company's subsidiaries (the "LTIP Units"), and may include a number of shares of Class B Common Stock of the Company (the "Class B Shares") not to exceed the number of Class A Shares acquirable upon the exchange of the LTIP Units, which Class B Shares (if any) consist solely of voting rights but no economic interests in the Company and will be canceled upon the exchange of the LTIP Units for Class A Shares. Subject to the provisions of the 2022 Plan and the applicable award documents, LTIP Unit Awards, including rights to acquire Class A Shares, and any related Class B Shares, may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of or encumbered and shall be subject to a risk of forfeiture until the lapse of all applicable restrictions.

LTIP Units, whether vested or unvested, shall entitle the participant to receive, currently or on a deferred or contingent basis, distributions or distribution equivalents with respect to a number of LTIP Units or other distributions from the members of certain of the Company's subsidiaries, with respect to which the Administrator of the 2022 Plan (the "Administrator") may provide in the award document that such amounts (if any) shall be deemed to have been reinvested in additional LTIP Units. The LTIP Units may include an exchange ratio pursuant to which the LTIP Units (with or without other property) may be exchanged for Class A Shares in accordance with the terms of the Certificate of Incorporation of the Company, and in such case may include Class B Shares; provided, however, that the number of Class B Shares issued as a feature of the LTIP Unit Award may not exceed the number of Class A Shares acquirable upon the exchange of the LTIP Units included in such Award and that such Class B Shares are cancelled pro tanto at the same time that the exchangeable LTIP Units are exchanged for such Class A Shares. LTIP Units may be structured as "profits interests," "capital interests" or other types of partnership interests for federal income tax purposes. The Administrator has the authority to determine the number of shares, interests, units or rights underlying LTIP Unit Awards in light of all applicable circumstances, including but not limited to performance-based vesting conditions, operating partnership "capital account allocations," value accretion factors, and conversion or exchange ratios, to the extent set forth in the limited partnership agreements of the members of the Sculptor Operating Group, the Code or otherwise.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

The Company is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify its directors and officers as well as other employees and agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made or threatened to be made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation—a "derivative action"), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's certificate of incorporation, bylaws, disinterested director vote, stockholder vote, agreement or otherwise. Under the Company's Certificate of Incorporation and By-Laws, in most circumstances the Company will indemnify the following persons (the "Indemnified Persons"), to the fullest extent authorized or permitted by applicable law, if such indemnified persons acted in a manner not constituting fraud, gross negligence or willful misconduct: (a) any person who is or was a director, officer or tax matters partner of the Company or its predecessor, (b) any person who is or was serving

at the request of the Company or its predecessor as an officer, director, member, manager, partner, tax matters partner, fiduciary or trustee of another person (including any subsidiary); provided, that a person shall not be an Indemnified Person by reason of providing, on a fee-for-services basis, trustee, fiduciary or custodial services, and (c) any person the Board of Directors designates as an “Indemnified Person” for purposes of the Certificate of Incorporation or the By-Laws. In addition to rights to indemnification, the Company’s Certificate of Incorporation also contains a provision eliminating personal liability of directors of the Company for monetary damages for breach of fiduciary duties, except for personal liability for fraud, gross negligence or willful misconduct and except that personal liability may not be eliminated for:

- any breach of the director’s duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; and
- any transaction from which the director derived an improper personal benefit.

The Company has agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons are not entitled to indemnification. The Company has also agreed to provide this indemnification for criminal proceedings. Any indemnification under these provisions will only be out of the Company’s assets. The Company may purchase insurance against liabilities asserted against and expenses incurred by persons in connection with its activities, regardless of whether the Company would have the power to indemnify the person against liabilities under the Company’s Certificate of Incorporation and By-Laws.

In addition, the Company has entered into indemnification agreements with each of the Company’s directors and executive officers. A description of the Company’s indemnification agreements is set forth in the section entitled “Certain Relationships and Related Transactions, and Director Independence—Indemnification Agreements” in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2021, which is incorporated herein by reference, which discloses that the Company will generally indemnify the Company’s directors and executive officers, to the fullest extent permitted by law and the Company’s organizational documents, against (i) any and all expenses and liabilities, including judgments, fines, penalties, interest and amounts paid in settlement of any claim with the Company’s approval, and counsel fees and disbursements; (ii) any liability pursuant to a loan guarantee, or otherwise, for any of the Company’s indebtedness; and (iii) any liabilities incurred as a result of acting on our behalf (as a fiduciary or otherwise) in connection with an employee benefit plan, if such director or executive officer acted in a manner not constituting fraud, gross negligence or willful misconduct. The indemnification agreements provide for the advancement or payment of all expenses to the director or executive officer and for reimbursement to the Company if it is found that such director or executive officer is not entitled to such indemnification under applicable law and the Company’s organizational documents. The Company’s subsidiary operating partnerships’ limited partnership agreements also require such operating partnerships and their subsidiaries to indemnify and exculpate the Company’s executive managing directors, including those who are the Company’s executive officers.

The Company currently maintains liability insurance for its directors and officers. Such insurance would be available to the Company’s directors and officers in accordance with its terms.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on August 1, 2022.

(b) If any Award expires or terminates unexercised, is settled for cash, becomes unexercisable or is forfeited as to any Shares, or is tendered or withheld as to any Shares in payment of the Exercise Price of the Award or the taxes payable with respect to the exercise or vesting of the Award, then such unpurchased, forfeited, tendered or withheld Shares shall thereafter be available for further Awards under the Plan unless, in the case of Options, Related Share Appreciation Rights (as defined in paragraph (a) of Section 8) are exercised.

5. Equitable Adjustments.

In the event of any Change in Capitalization, an appropriate equitable substitution or proportionate adjustment shall be made, in each case in the manner to be determined by the Administrator in its sole discretion, in order to prevent an enlargement or dilution of rights, in (i) the aggregate number of Shares reserved for issuance under the Plan and the maximum number of Shares that may be subject to Awards granted to any Participant in any fiscal year, (ii) the kind, number and Exercise Price, base price, or ratio of Shares subject to outstanding Options, Share Appreciation Rights and exchangeable LTIP Units, and (iii) the kind and number of Shares or LTIP Units and the purchase price of Shares subject to outstanding Awards of Restricted Shares, Restricted Share Units, Performance Shares, unrestricted shares or Other Share-Based Awards, including but not limited to LTIP Unit Awards; provided, however, that any fractional shares or units resulting from the adjustment shall be eliminated. Without limiting the generality of the foregoing, in connection with a Change in Capitalization, the Administrator shall take such action as is necessary to adjust the outstanding Awards to reflect the Change in Capitalization, including but not limited to the cancellation of any outstanding Award in exchange for payment in cash or other property of the aggregate Fair Market Value of the Shares or LTIP Units covered by such Award, reduced by the aggregate Exercise Price, base price, or purchase price thereof, if any. Notwithstanding the foregoing, no such adjustment shall cause any Award that is or becomes subject to Section 409A of the Code to fail to comply with the requirements of such section. The Administrator's determinations pursuant to this Section 5 shall be final, binding and conclusive.

6. Eligibility.

Participants shall be selected from time to time by the Administrator, in its sole discretion.

7. Options.

(a) General. Each Participant who is granted an Option shall enter into an Award Document containing such terms and conditions as the Administrator shall determine, in its discretion, which Award Document shall set forth, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option. The provisions of each Option need not be the same with respect to each Participant. More than one Option may be granted to the same Participant and be outstanding concurrently. Options shall be subject to the terms and conditions set forth in this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable and set forth in the Award Document.

(b) Exercise Price. The Exercise Price of an Option shall be determined by the Administrator in its sole discretion at the time of grant; provided, however, that the Exercise Price relating to each Share purchasable under an Option shall not be less than one hundred percent (100%) of the Fair Market Value of each Share on the date of grant.

(c) Option Term. The maximum term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten (10) years after the date such Option is granted. Each Option's term is subject to earlier expiration pursuant to the applicable provisions in the Plan and the Award Document.

(d) Exercisability. Each Option shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of pre-established Performance Goals, as shall be determined by the Administrator in the Award Document. The Administrator may also provide that any Option shall be exercisable only in installments, and the Administrator may waive such installment exercise provisions at any time, in whole or in part, based on such factors as the Administrator may determine in its sole discretion. Notwithstanding the foregoing, the Administrator shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. Notwithstanding anything to the contrary contained herein, an Option may not be exercised for a fraction of a Share.

(e) Method of Exercise. Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the number of Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. As determined by the Administrator in its sole discretion with respect to any Option or category of Options, payment in whole or in part may also be made (i) by means of consideration received under any cashless exercise procedure approved by the Administrator (including, but not limited to the withholding of Shares otherwise issuable upon exercise), (ii) in the form of unrestricted Shares already owned by the Participant which have a Fair Market Value on the date of surrender equal to the aggregate Exercise Price of the Shares as to which such Option shall be exercised, (iii) any other form of consideration approved by the Administrator and permitted by applicable law or (iv) any combination of the foregoing.

(f) Rights as Shareholder. A Participant shall have no rights to distributions or any other rights of a shareholder with respect to the Shares subject to an Option until the Participant has given written notice of exercise, has paid in full for such Shares, has satisfied the requirements of Section 15 and, if requested, has given the representation described in Section 16(b).

(g) Transfers of Options. Except as otherwise determined by the Administrator, no Option shall be transferable by a Participant other than by the laws of descent and distribution. Unless otherwise determined by the Administrator in accordance with the provisions of the immediately preceding sentence, an Option may be exercised during the lifetime of the Participant only by the Participant or, during the period the Participant is under a Disability, by the Participant's guardian or legal representative. The Administrator may, in its sole discretion, subject to applicable law, permit the gratuitous transfer during a Participant's lifetime of an Option, (i) by gift to a member of the Participant's immediate family, (ii) by transfer by instrument to a trust for the benefit of such immediate family members, or (iii) to a partnership or limited liability company in which such family members are the only partners or members; provided, however, that, in addition to such other terms and conditions as the Administrator may determine in connection with any such transfer, no transferee may further assign, sell, hypothecate or otherwise transfer the transferred Option, in whole or in part, other than by operation of the laws of descent and distribution. Each such transferee shall agree to be bound by the provisions of the Plan and the applicable Award Document.

(h) Termination of Employment or Service.

(1) Unless the applicable Award Document provides otherwise or unless otherwise determined by the Administrator, in the event that the employment or service of a Participant with any Participating Entity shall terminate for any reason other than Cause, Disability, or death, but including termination by reason of the entity employing the Participant or to which the Participant is rendering services ceasing to be a Subsidiary or Affiliate, (A) Options granted to such Participant, to the extent that they are exercisable at the time of such termination, shall remain exercisable until the date that is ninety (90) days after such termination, on which date they shall expire and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination. The ninety (90)-day period described in this Section 7(h)(1) shall be extended to one year after the date of such termination in the event of the Participant's death during such ninety (90)-day period. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

(2) Unless the applicable Award Document provides otherwise or unless otherwise determined by the Administrator, in the event that the employment or service of a Participant with any Participating Entity shall terminate on account of the Disability or death of the Participant, (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the date that is one year after such termination, on which date they shall expire and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

(3) In the event of the termination of a Participant's employment or service with any Participating Entity for Cause, all outstanding Options, including vested Options, granted to such Participant shall expire at the commencement of business on the date of such termination.

(i) Other Change in Employment or Service Status. An Option may be affected, both with regard to vesting schedule and termination, by leaves of absence, changes from full-time to part-time employment, Disability or other changes in the employment or service status of a Participant, in the discretion of the Administrator. The Administrator shall follow applicable written policies of the Company (if any), including but not limited to such rules, guidelines and practices as may be adopted pursuant to Section 3, as they may be in effect from time to time, with regard to such matters.

8. Share Appreciation Rights.

(a) General. Share Appreciation Rights may be granted either alone ("Free-Standing Share Appreciation Rights") or in conjunction with all or part of any Option ("Related Share Appreciation Rights"). Related Share Appreciation Rights may be granted either at or after the time of the grant of such Option. The Administrator shall determine the Participants to whom, and the time or times at which, grants of Share Appreciation Rights shall be made; the number of Shares to be awarded; the Exercise Price; and all other conditions of Share Appreciation Rights. Notwithstanding the foregoing, no Related Share Appreciation Rights may be granted for more Shares than are subject to the Option to which they relate, and any Share Appreciation Rights must be granted with an Exercise Price not less than one hundred percent (100%) of the Fair Market Value of Shares on the date of grant. The provisions of Share Appreciation Rights need not be the same with respect to each Participant. Share Appreciation Rights shall be subject to the following terms and conditions set forth in this Section 8 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable, as set forth in the applicable Award Document.

(b) Exercisability.

(1) Free-Standing Share Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator at or after grant.

(2) Related Share Appreciation Rights shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Section 7.

(c) Payment Upon Exercise.

(1) Upon the exercise of a Free-Standing Share Appreciation Right, the Participant shall be entitled to receive up to, but not more than, the value equal to the excess of the Fair Market Value of a Share as of the date of exercise over the Exercise Price specified in the Free-Standing Share Appreciation Right (which price shall be no less than one hundred percent (100%) of the Fair Market Value of such Share on the date of grant) multiplied by the number of Shares in respect of which the Free-Standing Share Appreciation Right is being exercised, with the Administrator having the right to determine the form of payment.

(2) A Related Share Appreciation Right may be exercised by a Participant by surrendering the applicable portion of the related Option. Upon such exercise and surrender, the Participant shall be entitled to receive up to, but not more than, the value equal to the excess of the Fair Market Value of a Share as of the date of exercise over the Exercise Price specified in the related Option (which price shall be no less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant) multiplied by the number of Shares in respect of which the Related Share Appreciation Right is being exercised, with the Administrator having the right to determine the form of payment. Options that have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the Related Share Appreciation Rights have been so exercised.

(3) Notwithstanding the foregoing, the Administrator may determine to settle the exercise of a Share Appreciation Right in cash (or in any combination of Shares and cash).

(d) Rights as a Shareholder. A Participant shall have no rights to distributions or any other rights of a shareholder with respect to the Shares subject to Share Appreciation Rights until the Participant has given written notice of exercise, Shares have been issued to the Participant upon such exercise, and the Participant has satisfied the requirements of Section 15 and, if requested, has given the representation described in Section 16(b).

(e) Non-Transferability. Share Appreciation Rights shall not be transferable; provided, however, that Related Share Appreciation Rights are transferable only when and to the extent the related Option would be transferable under Section 7.

(f) Termination of Employment or Service.

(1) In the event of the termination of employment or service with any Participating Entity of a Participant who has been granted one or more Free-Standing Share Appreciation Rights, such Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator.

(2) In the event of the termination of employment or service with any Participating Entity of a Participant who has been granted one or more Related Share Appreciation Rights, such Rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the Award Document.

(g) Term.

(1) The term of each Free-Standing Share Appreciation Right shall be fixed by the Administrator, but no Free-Standing Share Appreciation Right shall be exercisable more than ten (10) years after the date such Right is granted.

(2) The term of each Related Share Appreciation Right shall be the term of the Option to which it relates, but no Related Share Appreciation Right shall be exercisable more than ten (10) years after the date such Right is granted.

9. Restricted Shares, Restricted Share Units and Performance Shares.

(a) General. Awards of Restricted Shares, Restricted Share Units or Performance Shares may be issued either alone or in addition to other Awards. The Administrator shall determine the Participants to whom, and the time or times at which, Awards of Restricted Shares, Restricted Share Units or Performance Shares shall be made; the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Shares, Restricted Share Units or Performance Shares; the Restricted Period (as defined in paragraph (c) of this Section 9), if any, applicable to Awards of Restricted Shares or Restricted Share Units; the Performance Goals, if any, applicable to Awards of Restricted Shares, Restricted Share Units or Performance Shares; any rights to Distribution Equivalents; and all other conditions of the Awards of Restricted Shares, Restricted Share Units and Performance Shares. The Administrator may also condition the grant of the Award of Restricted Shares, Restricted Share Units or Performance Shares upon the exercise of Options, or upon such other criteria as the Administrator may determine, in its sole discretion. If the restrictions, Performance Goals and/or conditions established by the Administrator are not attained, a Participant shall forfeit his or her Restricted Shares, Restricted Share Units or Performance Shares. The provisions of the Awards of Restricted Shares, Restricted Share Units or Performance Shares need not be the same with respect to each Participant.

(b) Awards and Certificates. Except as otherwise provided below in this Section 9, (i) each Participant who receives an Award of Restricted Shares or Performance Shares shall be issued a share certificate in respect of such Restricted Shares or Performance Shares (or such other appropriate evidence of ownership as determined by the Administrator); and (ii) such certificate (or other evidence of ownership) shall be registered in the name of the Participant, and, if appropriate, shall bear a legend referring to the terms, conditions, and restrictions applicable to any such Award. The Company may require that the Share certificates evidencing Restricted Shares or Performance Shares be held in the custody of the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Award of Restricted Shares or Performance Shares, the Participant shall have delivered a power of attorney, endorsed in blank, relating to the Shares covered by such Award.

(c) Restrictions and Conditions. The Awards of Restricted Shares, Restricted Share Units and Performance Shares shall be subject to the following restrictions and conditions and any additional restrictions or conditions as determined by the Administrator:

(1) Subject to the provisions of the Plan and the Award Document, during such period as may be set by the Administrator commencing on the date of the Award (the "Restricted Period"), the Participant shall not be permitted to sell, transfer, pledge or assign Restricted Shares, Restricted Share Units or Performance Shares; provided, however, that the Administrator may, in its sole discretion, provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as the Administrator may determine, in its sole discretion, including but not limited to the attainment of certain Performance Goals, the Participant's termination of employment or service as a director, Executive Managing Director or Consultant of or service provider to any Participating Entity or the Participant's death or Disability. Notwithstanding the foregoing, upon a Change in Control, the outstanding Awards shall be subject to Section 11.

(2) Except as may be provided in the Award Document, the Participant shall generally have the rights of a shareholder of the Company with respect to Restricted Shares and Performance Shares during the Restricted Period; provided, however, that (A) cash dividends or distributions on Restricted Shares shall either be automatically deferred and reinvested in additional Restricted Stock or accrued in a bookkeeping account in the applicable Participant's name, and held subject to the vesting of the underlying Restricted Shares, and (B) subject to any adjustment pursuant to Section 5, dividends payable in Shares shall be paid in the form of Restricted Shares of the same class as the Shares with which such dividend was paid, held subject to the vesting of the underlying Restricted Shares. The Participant shall generally not have the rights of a shareholder with respect to Shares subject to Awards of Restricted Share Units during the Restricted Period; provided, however, that, at the discretion of the Administrator, Distribution Equivalents may be awarded during a Restricted Period with respect to the number of Shares covered by Restricted Share Units and may be accrued and paid to the Participant promptly after, and only after, the Restricted Period, if any, applicable to such Distribution Equivalents shall expire without forfeiture. Certificates for unrestricted Shares shall be delivered to the Participant promptly after, and only after, the Restricted Period shall expire without forfeiture in respect of such Awards of Restricted Shares, Restricted Share Units or Performance Shares except as the Administrator, in its sole discretion, shall otherwise determine.

(3) The rights of Participants granted Awards of Restricted Shares, Restricted Share Units or Performance Shares upon termination of employment or service as a director, Executive Managing Director or Consultant of or service provider to any Participating Entity for any reason during the Restricted Period shall be set forth in the Award Document.

10. Other Share-Based Awards.

(a) The Administrator is authorized to grant Awards to Participants in the form of Other Share-Based Awards, as deemed by the Administrator to be consistent with the purposes of the Plan and as evidenced by an Award Document, including but not limited to Awards that are valued in whole or in part by reference to Class A Shares, including Awards valued by reference to book value, fair value or performance of any Participating Entity or partnership interests, including Distribution Equivalents and restricted or performance units. Other Share-Based Awards may be granted as free-standing Awards or in tandem with other Awards. The Administrator shall determine the terms and conditions of such Awards, consistent with the terms of the Plan, including any Performance Goals and performance periods. Shares, partnership interests, or other securities or property delivered pursuant to an Award in the nature of a purchase right granted under this Section 10 shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including but not limited to Shares, other Awards, notes or other property, as the Administrator shall determine, subject to any required corporate action. The Administrator may, in its sole discretion, settle such Other Share-Based Awards for cash, Shares, partnership interests, or other property as appropriate; provided, however, that it determines, after consultation with its legal counsel and tax advisers, that such alternate settlement would be in the Company's best interests.

(b) The Administrator is also authorized to grant LTIP Unit Awards to Participants in the form of LTIP Units that, whether vested or unvested, shall entitle the Participant to receive, currently or on a deferred or contingent basis, distributions or Distribution Equivalents with respect to a number of LTIP Units or other distributions from the members of the Sculptor Operating Group, with respect to which the Administrator may provide in the Award Document that such amounts (if any) shall be deemed to have been reinvested in additional LTIP Units. The LTIP Units may include an exchange ratio pursuant to which the LTIP Units (with or without other property) may be exchanged for Class A Shares in accordance with the terms of the Certificate of Incorporation, and in such case may include Class B Shares; provided, however, that the number of Class B Shares issued as a feature of the LTIP Unit Award may not exceed the number of Class A Shares acquirable upon the exchange of the LTIP Units included in such Award and that such Class B Shares are cancelled pro tanto at the same time that the exchangeable LTIP Units are exchanged for such Class A Shares. LTIP Units may be structured as “profits interests,” “capital interests” or other types of partnership interests for federal income tax purposes. The Administrator has the authority to determine the number of shares, interests, units or rights underlying LTIP Unit Awards in light of all applicable circumstances, including but not limited to performance-based vesting conditions, operating partnership “capital account allocations,” value accretion factors, and conversion or exchange ratios, to the extent set forth in the limited partnership agreements of the members of the Sculptor Operating Group, the Code or otherwise.

11. Accelerated Vesting in Connection with a Change in Control.

(a) In the event of a Change in Control, any outstanding Award that is not assumed or continued, or for which an equivalent option or right is not substituted pursuant to the Change in Control transaction’s governing document, shall become fully vested and exercisable “immediately prior to” the effective date of such Change in Control and shall expire upon the effective date of such Change in Control. For purposes of this Section 11, “immediately prior to”, with respect to an Option or Stock Appreciation Right, shall mean sufficiently in advance of the Change in Control transaction such that there will be time for each affected Participant to exercise his or her Option/Stock Appreciation Right and participate in the Change in Control transaction in the same manner as all other holders of Shares. If an Award becomes fully vested and, if applicable, exercisable immediately prior to a Change in Control, the Administrator shall notify the affected Participant in writing or electronically that the Award has become fully vested and, if applicable, exercisable, and that the Award will terminate upon the Change in Control.

(b) Unless otherwise determined by the Administrator and evidenced in an Award Document, in the event that (i) a Change in Control occurs and (ii) the Participant’s employment or service is terminated by the Company, its successor or affiliate thereof without Cause on or after the effective date of the Change in Control but prior to twelve (12) months following such Change in Control, then:

- (1) any unvested or unexercisable portion of any Award carrying a right to exercise shall become vested and exercisable; and
- (2) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to any other Award shall lapse and all unvested Awards shall be deemed fully vested and performance conditions imposed with respect to such Awards shall be deemed to be fully achieved.

12. Set-Off.

Notwithstanding any other provision of the Plan or any Award Document to the contrary, to the extent permitted by Section 409A of the Code, the Company or the Sculptor Operating Group, as the case may be, shall have the right to offset against any amount owed to a Participant any amounts that are owed by such Participant to the Company or the Sculptor Operating Group (including amounts owed under the Plan) at the time of any payment hereunder.

13. Amendment and Termination.

The Board may amend, alter or terminate the Plan, but no amendment, alteration, or termination shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant’s consent. Unless the Board determines otherwise, the Board shall obtain approval of the Company’s shareholders for any amendment that would require such approval in order to satisfy the requirements of any rules of the stock exchange on which the Shares are listed or other applicable law. If any Award is subject to Section 409A of the Code and fails to comply with the requirements of Section 409A of the Code, the Administrator reserves the right to (but is not obligated to) amend, modify or supplement such Award in order to cause it to either not be subject to Section 409A of the Code or to comply with the applicable provisions of Section 409A of the Code. The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but no such amendment shall impair the rights of any Participant without his or her consent. At no time before the actual distribution of any Awards to Participants under the Plan shall any Participant accrue any interest or right whatsoever under the Plan.

14. Unfunded Status of Plan.

The Plan is intended to constitute an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Participant, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of any Participating Entity.

15. Withholding Taxes.

Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of the Participant for non-U.S. or U.S. federal, state, or local income tax purposes, pay to any Participating Entity, or make arrangements satisfactory to the Administrator regarding payment of, any non-U.S. or U.S. federal, state, or local taxes of any kind required by law to be withheld with respect to the Award. The obligations of any Participating Entity under the Plan shall be conditional on the making of such payments or arrangements, and any such Participating Entity shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant. Whenever cash is to be paid pursuant to an Award, any Participating Entity shall have the right to deduct therefrom an amount sufficient to satisfy any non-U.S. or U.S. federal, state and local withholding tax requirements related thereto. Whenever Shares or LTIP Units are to be delivered pursuant to an Award, any Participating Entity shall have the right to require the Participant to remit to any such Participating Entity in cash an amount sufficient to satisfy any non-U.S. or U.S. federal, state and local withholding tax requirements related thereto. With the approval of the Administrator, a Participant may elect to satisfy the foregoing requirement by electing to have any Participating Entity withhold from delivery of Shares, LTIP Units, or other property or by delivering already owned unrestricted Shares, LTIP Units, or other property, in each case having a value equal to the minimum amount of tax required to be withheld. Such Shares, LTIP Units, or other property shall be valued at their Fair Market Value, if any, on the business day immediately preceding the date on which the amount of tax to be withheld is determined. Fractional share or unit amounts shall be settled in cash. Such an election may be made with respect to all or any portion of the Shares, LTIP Units, or other property to be delivered pursuant to an Award. Each Participating Entity may also use any other method of obtaining the necessary payment or proceeds, as permitted by law, to satisfy its withholding obligation with respect to any Award.

16. General Provisions.

(a) Awards, Class A Shares, Class B Shares and LTIP Units shall not be issued pursuant to the Plan unless the issuance and delivery of such Awards, shares or LTIP Units pursuant hereto shall comply with all relevant provisions of law, including but not limited to the Securities Act of 1933, as amended, the Exchange Act and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) The Administrator may require each person acquiring Awards, Class A Shares, Class B Shares or LTIP Units to represent to and agree with any Participating Entity in writing that such person is acquiring the Awards, Class A Shares, Class B Shares or LTIP Units without a view to distribution thereof. The certificates for any shares or LTIP Units may include any legend that the Administrator deems advisable to reflect any restrictions on transfer which the Administrator determines, in its sole discretion, arise under applicable securities laws or are otherwise applicable.

(c) All certificates for Class A Shares, Class B Shares or LTIP Units delivered under the Plan shall be subject to such stop-transfer orders and other restrictions as the Administrator may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Shares may then be listed, and any applicable federal or state securities law, and the Administrator may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

(d) The Administrator may require a Participant receiving Awards, Class A Shares, Class B Shares or LTIP Units, as a condition precedent to receipt of such Awards, shares or LTIP Units, to enter into a shareholder agreement, “lock-up” or other agreement in such form as the Administrator shall determine is advisable to further the interests of any Participating Entity.

(e) Nothing in the Plan or any Award Document shall confer upon any Participant any right to continued employment or service with any Participating Entity, nor shall it interfere with or restrict in any way the right of any Participating Entity (or its equityholders) to terminate the employment or service of any Participant at any time for any reason whatsoever, with or without Cause.

(f) All obligations of any Participating Entity under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to such Participating Entity, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of such Participating Entity.

(g) Except as otherwise provided in the applicable Award Document, each Award under the Plan shall be paid solely from the general assets of the relevant Participating Entity. Nothing in this Plan shall be construed to create a trust or to establish or evidence any Participant's claim of any right to any distribution of an Award other than as an unsecured general creditor with respect to any distribution to which such Participant may be conditionally entitled.

17. Severability.

Should any provision of the Plan or any Award Document be held by a court of competent jurisdiction to be unenforceable, or enforceable only if modified, such holding shall not affect the validity of the remainder of the Plan or such Award Document, the balance of which shall continue to be binding upon the parties hereto with any such modification (if any) to become a part hereof and treated as though contained in this original Plan or Award Document. Moreover, if one or more of the provisions contained in the Plan or any Award Document shall for any reason be held to be excessively broad as to scope, activity, subject or otherwise so as to be unenforceable, in lieu of severing such unenforceable provision, such provision or provisions shall be construed by the appropriate judicial body by limiting or reducing it or them, so as to be enforceable to the maximum extent compatible with the applicable law as it shall then appear, and such determination by such judicial body shall not affect the enforceability of such provisions or provisions in any other jurisdiction.

18. Remedies.

Any remedies provided for in this Plan shall be cumulative in nature and shall be in addition to any other remedies whatsoever (whether by operation of law, equity, contract or otherwise) which any party may otherwise have. Notwithstanding any other provision herein to the contrary, any performance-based compensation, or any other amount, paid to a Participant pursuant to an Award, which is subject to recovery under any law, government regulation, stock exchange listing requirement, or any policy adopted by the Company will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation, stock exchange listing requirement, or policy adopted by the Company. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or be deemed a "constructive termination" (or any similar term) as such terms are used in any agreement between any Participant and the Company.

19. Section 409A

It is the Company's intent that payments and benefits under this Plan comply with Section 409A of the Code, to the extent subject thereto, and accordingly, to the maximum extent permitted, this Plan shall be interpreted and administered to be in compliance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, a Participant shall not be considered to have terminated employment with any Participating Entity for purposes of this Plan unless the Participant would be considered to have incurred a "separation from service" from any Participating Entity within the meaning of Section 409A of the Code. Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code, and any payments described in this Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Without limiting the foregoing and notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to this Plan during the six-month period immediately following a Participant's separation from service shall instead be paid on the first business day after the date that is six months following the Participant's separation from service (or death, if earlier). Notwithstanding the foregoing, for each Award that constitutes nonqualified deferred compensation under Section 409A of the Code, if required to avoid accelerated taxation and/or tax penalties, a Change in Control shall be deemed to have occurred for purposes of the payment or settlement of such Award under the Plan only if a "change in the ownership of the corporation," a "change in effective control of the corporation" or a "change in the ownership of a substantial portion of the assets of the corporation," within the meaning of Section 409A(a)(2)(A)(v) of the Code shall also be deemed to have occurred under Section 409A of the Code. The Plan and any Award Documents issued thereunder may be amended in any respect deemed by the Administrator to be necessary in order to preserve compliance with Section 409A of the Code.

20. Term of Plan.

No Award shall be granted pursuant to the Plan on or after the tenth (10th) anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

21. Governing Law.

The Plan shall be construed and enforced in accordance with the laws of the State of Delaware without regard to the application of the principles of conflicts or choice of laws.

Accordingly, there is no amount to be registered or offering price for the LTIP Unit Awards beyond those for the Class A Common Stock, and no registration fee is required with respect thereto.
